Commissioners, Ambulance Coordinator Suzanne Aune and CMMC Cody Langbehn and Rick Poss meet to discuss Central Montana Medical Center being able to become a Critical Access Hospital, which would qualify the hospital for a considerable amount of Federal Funding. The very first step would be extending their ambulance service 35 miles from Lewistown. This would encompass at least Hobson and Grass Range. The initial thought is more funds for every agency. Something of this magnitude will take work and cooperation by everyone. Not something to go into lightly. Commissioners are willing to keep looking at the possibilities. In the end if it is better for everyone involved: hospital, taxpayers, volunteers, etc.

JB County Planner Jim Yeagley was present to answer any question the Commissioners might have for the final approval of the Sawmill Minor Subdivision outside of Hobson. Commissioner McDonald moved to approve the Sawmill Minor Subdivision as recommended by the JB County Planning Board, second, motion passed. Commissioner McDonald has been approached by citizens in JB County that have concerns about future developments in the county.
