Commissioner McDonald moved to approve February 25, 2026 Minutes, second, motion passed.

Commissioner McDonald moved to approve the County Health Insurance Advisory Board minutes, second, motion passed.

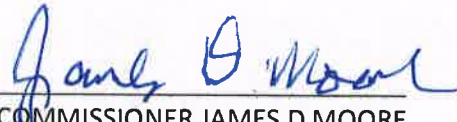

Tater stopped in to discuss the Hobson Rural Fire District meeting with Sapphire Village residences. District will be looking into a new Fire truck for that area. Now volunteers are needed in the area to get certified.

Roger in to go over road work being done in the county.

Had a phone conference with Scot Solberg Lewistown Insurance, the week before MACO Mid-winter the county had signed an agent agreement with Scot to handle the counties Property & Liability Insurance for 2026-27. Then during the Mid-winter meetings MACO passed a resolution allowing counties to have a county employee handle -vs- insurance agent. We are locked into Scot for 2026-27; however, it will be highly considered the following year to handle in-house. The cost savings is significant.

Discussed Text.gov product. County will be having another zoom meeting with sales representative on March 11th at 11:00 a.m. Department heads will get together a little before to review how their individual departments might use the product.
